

Ministry of Social Development and Ministry of Youth Development contracted funding for the 2019/20 financial year

Description:
 - this data set provides a general description of MSD and MYD's active contracts with contracted service providers for the delivery of employment, disability, youth development and social services for the year ending 30 June 2020
 - this data set has been published in accordance with the requirements of Section 376 of the Social Security Act 2018

Please note:
 - data in this report is current at 1 October 2019 and that some records have been modified to remove information that identifies individuals or residential addresses
 - provider location data displays only the primary location that MSD associates with each provider contract and does not represent all locations in which the provider has a presence or provides a particular service

MINISTRY OF SOCIAL DEVELOPMENT
